

Shock Absorber zone Shock Absorber

The Blueshock screwbit offers a special design with elongated torsion zone, resisting to high torque and violent impacts. Its hardness suits the most powerfull machines.

BLUE SHOCK

BlueFit Precision

PH, PZ, TX perfectly fits screwheads and avoid slipping and destroying head geometry.

BlueRing Reinforcement

A strong ring reinforces the head for an even longer resistance.

BlueShape Anti-Breakage

The flex zone is reinforced on each side for an even stronger link with the head and the attachment and avoid breakages.
